

Specifications

WALLS

Sturdy 47mm x 47mm (45mm x 45mm finished) vertical framework clad with your choice of:

- 16mm (12mm finished) T&G Shiplap
- 19mm (15mm finished) T&G Shiplap
- 19mm (15mm finished) T&G Loglap

FLOOR

16mm (12mm finished) T&G on 47mm x 47mm pressure treated floor joists with an option to upgrade to a heavy duty 18mm Caberboard floor. All buildings over 2.4m (8') in both directions - eg 2.4m x 2.4m (8' x 8') but not 2.7m x 2.1m (9' x 7') - are upgraded to 18mm Caberboard as standard.

ROOF

16mm (12mm finished) T&G matchboard on sturdy roof purlins and covered with a heavy duty polyester based roofing felt. On apex models we offer an option of cedar shingles or long-life felt tiles if you prefer something a little more decorative.

HEIGHTS

There is a generous internal eaves height of 1.82m (6') raising to an internal ridge height of:

- 1.5m (5') up to 2.4m (8') gable - 2.06m (6' 9")
- 2.7m (9') gable - 2.13m (7')
- 3.0m (10') up to 3.3m (11') gable - 2.18m (7' 2")
- 3.6m (12') gable - 2.31m (7' 7")

All external roof heights - up to 3.6m (12') gable - comply with the 2.5m maximum height restriction imposed when erecting a building under Permitted Development.

DOORS

All building feature a 0.76m (2' 6") wide box framed single personal door which is fitted with a mortice lock. There is an option of switching this for a half glass door, stable door, wider door or a pair of double doors. Doors can be offset to one side on all models or central on building of 6' width or greater.

WINDOWS

There is a choice of two window styles: Classic (larger panes with one opening sash) or Georgian (smaller square paned non-opening windows). The precise number of panes will vary depending upon the building width and configuration. All glass is toughened for safety.

- Choice of two window styles
- Door and windows configured to suit
- Optional lining and insulation
- Free on-site installation
- Stylish transverse roof style

All specifications are subject to change.
All sizes are nominal. E&OE.

2.4m x 3.6m (8' x 12') with Georgian windows and optional half glass door

Diamond Woodgate Transverse Apex

Built to the same high specification as our Diamond Apex and Pent Garden Sheds, the Woodgate is a popular tweak to the traditional style. With the ridge reversed the building takes on a charming chalet style adding an air of elegance to any garden. With a choice of three standard door/window configurations, two window styles and an optional half glass door this building is highly versatile however we can fully customise the configuration if desired.

1.8m x 2.4m (6' x 8') with Classic Windows

1.5m x 2.1m (5' x 7') with Georgian windows

1.5m x 2.1m (5' x 7') with Georgian windows and optional Loglap cladding

3.0m x 4.2m (10' x 14') with Georgian windows and optional double half glass doors

1.2m x 1.8m (4' x 6') with Georgian windows and optional Loglap cladding
