Need us to organise a base for your new building? Please see our separate sheet for full details on the options available!

Transform your new Platinum building into something truly special with the addition of our factory-applied paint finish. Choose from the practical hardwearing Valtti Kesto Plus lacquer - if you wish to maintain the natural colour of the building - or opt for some colour with two coats of Valtti Opaque. The cost will be £12 per linear ft for the lacquer (L + L + W + W x £12) or £16 per linear ft (L + L + W + W x £16) for the Opaque paint system.
