TIKKURILA

Your building will be supplied with pressure treated cladding to guard against rot and to ensure a long life with minimal maintenance however we do recommend a suitable water repellent weather protector is applied externally as soon as possible after installation in order to prevent moisture ingress into the timber. As a service we are able to apply this protection before your building leaves the factory for an additional sum. You can choose from a selection of colours from the Valtti Color range (of which we show a selection on our display site) or the Valtti Kesto Plus translucent lacquer. When selecting this option we can apply Valtti Opaque paint to the door/window frames for an additional £12 per item.

(*) Highclere and Kingsclere models over 12ft gable will exceed 2.5m overall height so this must be kept in mind when you are erecting a building under Permitted Develo

Bursledon models are fitted with gutters as standard so there must be a gap of 300mm from the edge of your base to any fences.

Hamble models will exceed 2.5m overall height so this must be kept in mind when you are erecting a building under Permitted Development.

Need help with a base? We can arrange for a base to be constucted for you: please see our separate sheet for full details

Looking for a different size/style building? Perhaps you would like to combine your summerhouse with a storage shed?

We can manufacture any size building in numerous different styles so please ask for further assistance if you do not see what you are looking for. We specialise in multi room buildings so please see our separate sheet or ask for further assistance and we will be happy to put together a bespoke quotation for your consideration.

Your building will be supplied with pressure treated cladding to guard against rot and to ensure a long life with minimal maintenance however we do recommend a suitable water repellent weather protector is applied externally as soon as possible after installation in order to prevent moisture ingress into the timber. As a service we are able to apply this protection before your building leaves the factory for an additional sum. You can choose from a selection of colours from the Valtti Color range (of which we show a selection on our display site) or the Valtti Kesto Plus translucent lacquer. When selecting this option we can apply Valtti Opaque paint to the door/window frames for an additional £12 per item.
