Can't see what you are looking for? Ask about our bespoke design service today!

OPTIONAL EXTRAS	The items listed in the 'optional extras' section are supplied for self-positioning and may require some cutting of logs unless we are installing your building in which case these will be fitted as part of the package (as is the case with those items marked with an asterisk above) There may be an extended lead time on these items. Please note that the costs may be broken down differently to those shown above on your order confirmation however the total cost will remain unchanged.	
Upgraded door handle/lock (recommended)	£72	
Additional single door	£564	
Additional double door	£639	
Additional single window	£486	
Additional double window	£547	
The Bar (approx 2m x 0.75m)	£469	

(**) The protective paint kit is offered as a DIY solution to ensure the best protection for your new building. It contains enough for you to apply three coats of Jotun Demidekk to the exterior. If you wish to select an accent colour for the doors/windows then an additional charge will apply for additional materials. It does not include for any knotting solution, stain blocker or woodfiller that may be required.

(***) If you do not wish to apply the protective paint yourself then we can arrange for a decorator to attend your home and apply our paint kit for the cost indicated above subject to the site being within 50 mile radius and the building having a sufficient working space around to allow for safe working. The price quoted includes the cost of the kit as well as labour (the decorator is not VAT registered so no VAT is charged)

(#) Building kit is over 15 square metres internally thus should be positioned 1m from your boundary (*) Building kit is over 2.5m high externally measured from the underside of the floor to the top of roof (excludes your base and/or any insulation kit upgrade).
